

**Lifespan/Physicians PSO will be hosting the following
American Academy of Professional Coders (AAPC)
Webinars/Audio Conferences:**

- | | |
|----------------|--|
| 2/01/12 | Orthopedics Case Studies: Upper and Lower Extremities |
| 2/08/12 | Ensuring Accuracy: Chargemaster and Outpatient Facility Coding |
| 2/15/12 | Defending an Adverse E/M Audit: What the E/M Guidelines Really Say |
| 2/29/12 | Cardiovascular - Pacers, Defibrillators and Electrophysiology in 2012 |

**Each webinar/audio conference will be held
at the Coro Building, Providence
3rd floor, Suite 3A, ACR Conference Room
from 1:00pm - 2:00pm**

For full descriptions of these webinars/audio conferences, please visit the www.aapc.com website.

There is no fee to attend these sessions. The target audience is coders. Physicians, clinicians and practice managers are welcome to attend.

To earn 2 AAPC CEU's, attend the webinar and receive a passing grade on the short post-conference online quiz.
