### **Tufts Health Plan Update – Physicians, Outpatient Hospital Fee Schedules Update**

Tufts Health Plan reviews their commercial physician and outpatient hospital fee schedules quarterly to help ensure they are current, comprehensive and consistent with industry standards to the extent supported by their systems.

The next update will occur on April 1, 2009, and changes may involve both new and existing CPT and HCPCS codes. Detailed information about changes to existing fee schedules and non-reimbursable logic is distributed to your Provider Organization and hospital leadership in advance of effective dates.

Independent physicians who have questions about fee schedule changes should contact Tufts Health Plan's Network Contracting Department at 1-888-880-8699, ext. 2169
