

## Contracting & Payer Relations

### **Update from UnitedHealth Group unit/UnitedHealthcare – Acquisition of Health Net of the Northeast**

UnitedHealth Group unit UnitedHealthcare has completed its acquisition of Health Net of the Northeast's licensed subsidiaries.

As Health Net's commercial customers in the Northeast reach renewal dates, the acquiring company will work to enroll them in a comparable Oxford Health or UnitedHealthcare plan, according to the insurer.

Health Net will continue to administer all of its commercial, Medicare and Medicaid plans in the Northeast under administrative services agreements with UnitedHealthcare until members transition to these other plans, according to the company.
