Lecture Series

## “Designing an Office-Based Medical Practice Compliance Program”

Lawrence Vernaglia, J.D., M.P.H.  
Foley & Lardner LLP

Thursday, June 18<sup>th</sup>, 2009  
3:00 – 4:00pm  
55 Claverick Street  
1<sup>st</sup> Floor Conference Room

**Objectives:** At the conclusion of this session, participants should be able to:

- Identify the benefits of developing an office-based compliance program
- Describe what a compliance program is and what it can do for your practice
- Recognize the essential components and discuss optimal components
- Build a compliance program scaled to a small medical office practice

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Rhode Island Medical Society through a joint sponsorship of Rhode Island Hospital and Lifespan Physicians PSO.

Rhode Island Hospital is accredited by the Rhode Island Medical Society to provide continuing medical education for physicians.

Rhode Island Hospital designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity is also designated for a maximum of 1.0 Category 1 Credit in Risk Management.

Handicapped assistance is available. Please contact the Rhode Island Hospital CME office at (401) 444-4260.

*Light refreshments will be served*

**To register, please contact Cathy St. Laurent at 444-2095 or via email at [cstlaurent1@lifespan.org](mailto:cstlaurent1@lifespan.org)**
