

Lifespan/Physicians PSO

Physician Chart Auditor (PCA) Course

Learn to think like an auditor while protecting your practice from overcoding-which can lead to audits-and undercoding, which can result in a significant loss of revenue.

Course Objective: To enhance an individual's awareness of the critical criteria used in a formal state, federal and/or payor physician chart audit. The information reviewed will assist the student in understanding the formal process of an actual audit and what supports the actual E&M code submitted by the physician. Actual physician records will be used for learning.

Instructor:

Lyn Henderson, CPC, CCS-P, CHCC, PCA is a 30 yr. seasoned certified coder and compliance consultant who's Physician Chart Auditing LLC organization is a nationally recognized entity. She has worked with a former US Attorney General, other attorneys, hospitals and large physician groups in Medicare, Medicaid and local payor audits. She has audited over 15,000 physician charts in her career. Lyn has been a featured guest speaker for over 50 organizations, as well as an instructor on Medicare and Medicaid regulations for major insurance companies and much more.

**Upon successful completion of this course,
you will earn your PCA Credential and get 27 CEU's!**

Fee: \$1400.00 for PSO members and Lifespan employees
\$1800.00 for non-PSO/Lifespan employees

Course fee includes all course materials; certification test & certification
